Game On!

**John Steinbeck Library
350 Lincoln Avenue
Salinas, CA, 93901
831-758-7311**

**Tuesdays & Thursdays
Starting September 13**

4 – 6 p.m.

Play Make Games

High school students, you can learn the basic skills of computer coding for game creation. Join our computer science series every Tuesday and Thursday to learn valuable technology skills for the future job you might have. Meet other teens and have some after-school fun in the basement of the John Steinbeck Library.
